## Event Details

Have fun planting up a large bowl-shaped container filled with summer's stunning annuals. Browse through a kaleidoscope of colours and textures, imagining the many possibilities for your planter. Choose your plants from rows and rows of vibrant blooms, foliage, and upright and cascading varieties, all of which have been carefully selected and nurtured for perfection. The choice is yours, whether you favour bold intense colours, gentle pastels, sun or shade varieties, or perhaps you envision an all-foliage planter to fill your beautiful container. Sit back to enjoy watching your floral creation explode into a breathtaking display of colour and life throughout the entire summer. Approximate Dimension of the container mouth is a width of 15" Please Note: The photo depicts mature plants.

Join us for a fun, creative night! The price includes a raffle ticket and a delicious hand-held light dinner catered by ANTIPASTOS. This is a BYOB event.
