The *Niagara Construction Association (NCA)* was established in 1950 and generates an annual membership of over 325 construction professionals. The membership is comprised of a broad spectrum of disciplines including General and Trade Contractors, Manufacturers and Suppliers, Architects and Engineers. We are very proud of the fact that these facets of our industry have been an active contributor in the development of the Niagara Region.

Our 27<sup>th</sup> Annual Golf Tournament will be held at the beautiful “*Legends on the Niagara*” and once again primarily focuses on nurturing a strong sense of pride in our industry through this opportunity of comradeship and networking.

The NCA is extending a personal invitation to participate as a *Sponsor*. As sponsors, your contribution will go towards defraying the costs of holding the tournament and will be specially earmarked for both the lunch and dinner functions.

The “*Legends*” tournament sells out annually to 288 golfers on two prestigious 18-hole courses.

On behalf of the Niagara Construction Association Program Committee and the Board of Directors, we thank you for considering Sponsorship in the 2008th Annual Golf Tournament.
